Overnight Guest Parking

Overnight guests have the option of reserving a parking space with their reservation. If a parking space is reserved, upon arrival, overnight guests should park in the circular loading zone in front of the Fluno Center and check in with the front desk. The guest will be issued an overnight parking permit for Lot 83 located directly below the Fluno Center. The permit should be scanned at the gate each time the guest enters and exits the lot. Permits must be displayed on the vehicle's dashboard at all times while in Lot 83. Overnight parking permits are an additional \$15 per night and the charge is applied directly to the guest room bill.
